## From our Principal ...

I am pleased to report that we have made an excellent start to the new term. Our oversubscribed year 7 cohort is already well established and appear to have mastered the geography of the building. In lessons it is clear that they, and all our students, are working hard and are making great progress, as we were pleased to report to parents of year 7 pupils last week at our settling-in evening.

Thank you for your support of our annual Open Evening; an important event in the daunting process of choosing a school for the next phase of education, that so many of you have fed-back, was critical to your decision making at that time. The event was a huge success, with over 700 people visiting the academy including over 300 prospective year 6 pupils. The exit surveys were tremendously positive, conveying both the positive impression held prior to visiting and an overwhelming uplift on exit. As always, our student helpers were the real stars of the evening; I'll take this opportunity to extend my thanks to them and their families once again.

We were thrilled to be able to congratulate and celebrate the success of Oulton Broad Primary School on their Outstanding Ofsted report recently, joining the growing ranks of good and improving schools across Lowestoft which is clearly very good news for the town as a whole.

We are looking forward to our next collapsed PSHE day on Wednesday 7th October. Our PSHE programme uses collapsed days in preference to timetabled lessons so that we can engage a wide range of businesses and other professionals, making learning as interesting and engaging as possible. Attendance on PSHE days is critical because any lost learning will be hard to recover, so please support us and make every effort to ensure that your son/daughter is here and able to benefit, even if they are not in full health. Speaking of which, attendance so far this year is 1% up on this time last year and our students are more punctual than ever before. We maintain a 'firm but fair' approach to supporting attendance. If you would like any further support or guidance please don't hesitate to contact our attendance team.

Kindest regards.

Peter Marshall

## **Forthcoming Dates for your Diary**

### **Wednesday 7th October**

PSHE Day - All year groups

### **Wednesday 8th October**

English year 8 trip to

The Imperial War Museum

### **Wednesday 14th October**

Year 6 Transition Language Festival

Parents' Voice - 6.30pm - 8.00pm

### **Friday 16th October**

GOALS - Great Yarmouth College

11.00am - 1.00pm

### **Friday 16th October**

GCSE PE Mountain Biking

1.00pm - 4.30pm

### **Saturday 17th and**

### **Sunday 18th October**

Vocal Workshop - 9.00pm - 4.00pm

### **Wednesday 21st October**

Suffolk Skills Show for all year 11

Students - 9.00pm - 4.00pm

### **Wednesday 21st October**

Year 11 English Controlled Assessment

(Of Mice & Men) - 1.35pm - 3.10pm

### **Wednesday 21st October**

GCSE PE Mountain Biking

1.00pm - 4.30pm

### **Wednesday 21st October**

Parents' Information Evening - High

Potential Students - 5.00pm - 7.30pm

### **Thursday 22nd October**

Year 11 Parents' Evening

4.30pm - 7.30pm

### **Friday 23rd October**

Year 11 English Controlled Assessment

(Of Mice & Men) - 1.35pm - 3.10pm

### **Friday 23rd October**

Wear it Pink Day

## **Sports Fixtures**

### **Tuesday 6th October**

Netball U15 & U16

Benjamin Britten High School

3.30pm - 5.30pm

### **Wednesday 7th October**

Girls County Football U14

Sir John Leman High

3.30pm - 5.30pm

### **Thursday 8th October**

Girls Football U13 & U15

Ormiston Denes Academy

3.30pm - 5.30pm

### **Tuesday 13th October**

Netball U13 & U14

Bungay High School

3.30pm - 5.30pm

### **Thursday 15th October**

Girls Football U12 & U14

Ormiston Denes Academy

3.30pm - 5.30pm

### **Tuesday 20th October**

Area Netball Tournaments U16

East Point Academy - 4.00pm

### **Wednesday 21st October**

Mixed Boccia U16

Ashley School - 12.00pm - 2.15pm

## **After School Clubs**

### **Monday 5th, 12th, 19th October**

Netball Club - Sports Hall

3.10pm - 4.10pm

### **Wednesday 7th, 14th, 21st October**

Girls Football Club - Astro Turf

3.10pm - 4.10pm

### **Warhammer Club**

Every Friday - 3.30pm - 5.00pm

## Academy Improvements

The Academy site has again been significantly improved during the summer holiday period, with over 100 separate areas of work completed.

The investment this summer amounts to over £300,000, making the total investment over two years in excess of £1m. Please be assured that these funds have largely been secured through government sources reserved for building improvements, not from funds associated with your child's care or tuition. I'm sure you will agree that the new windows, roofs, boilers and the diverse range of classroom refurbishments including technology suites, ICT studios, catering facilities and other specialist resources are significant developments that will support us in our drive for high standards in all that we do, as well as providing your child with a safe, warm and welcoming environment to work in.

## *Congratulations*

Congratulations go to **Ryan Hawkins**, last year's Head Boy, who has been awarded a Suffolk Scholarship on entry to Lowestoft Sixth Form College.

Breakfast is the most important meal of the day.

Why not drop in for a free breakfast?

A chance to have a chat and catch up with your friends.

Breakfast is available every day at 7.45am - 8.30am in the dining hall.

Hot food served between 7.45am - 8.15am

Cereals, fruit and yoghurt 7.45am - 8.30am

Cooked breakfast on Wednesday.

All welcome, free of charge.

## Lily Charlesworth

Year 11 Venture House student, Lily Charlesworth, swims for Lowestoft & Oulton Broad Swimming Club. She has swum at county and regional levels, also for three clubs; St Felix, Beccles and Lowestoft.

Lily started to swim at the very young age of two, and joined Lowestoft & Oulton Broad Swimming Club when she was just six years old. She trains nearly every day, clocking up just over 11 hours of practice on a weekly basis.

Diet is very important and Lily must eat specific foods which include carbohydrates and protein.

Lily has numerous medals that she has won since she was very young. Her preferred swimming stroke is fly.

Lily said: "The person that inspires me is Rebecca Adlington, OBE, Gold and Bronze Olympic medal winner, and my coaches as they put a lot of time and effort in me and the club. My ambition is to swim in the Olympics. My most memorable occasion was when I swam 400 IM at Regionals long course when I made all my coaches proud."

Lily recently competed in her most prestigious competition; an open water event when she raced in a lake at Whitlingham Outdoor Education Centre. This was the first time Lily had taken part swimming in a lake. She competed in wave 2 of 3 in which 48 people took part. "I won my heat and became the Eastern Region champion in 800m. I also came 2nd in the Suffolk County. Everyone around me was

ecstatic and I also found out that I was awarded Swimmer of the Month award from my club's committee. I was quite overwhelmed."

Well done and congratulations to Lily.

*Mrs J Durrant - Marketing & Communications Officer*

## **Harry Garner**

Harry is a year 9, Venture House, student and is a very keen competitive swimmer. Harry has been swimming since the age of three and is a member of Lowestoft & Oulton Broad Swimming Club (LOBSC) who he swims for during galas and competitions.

At the age of 11, he won his first Silver (for freestyle) and Bronze (for backstroke). Having enjoyed competing in novice galas at Waterlane Sports Centre in Lowestoft, he quickly progressed to competing in open meetings and galas due to his speed. He competes in as many competitions as he can using an assortment of strokes. His preferred stroke, however, is front crawl.

Harry is extremely dedicated and trains for two hours most days every week, all year round. Diet is crucial to Harry's success; he includes lots of fruit, yoghurts and protein drinks, and restricts his intake of 'junk' food.

Harry has the grand total of 26 medals – Gold: 4, Silver: 11, Bronze: 1

Harry is highly inspired by the Olympic swimming and his ambition is to indeed become an Olympic swimmer!

### **Harry's claim to fame!**

At a recent LOBSC event, Harry met Jessica Long, 23-year-old Russian-born US Paralympic swimmer. Harry was honoured to be awarded Gold, Silver and Bronze medals which Jessica placed around Harry's neck.

*Mrs J Durrant - Marketing & Communications Officer*

## **Luke Barton**

Congratulations to year 7 student, Luke Barton, who came third in the Under 12s in a Biathlon recently held at Saint Felix School in Southwold.

Having swum for Suffolk and competed regionally, Luke has been invited to an East Region swimming talent camp during November and December this year.

Good luck Luke!

## **Lowestoft's Time Portal Hub - Railway Station Arches Project**

Thanks to financial support of Suffolk County Council Locality Budget and East Suffolk Lines Community Rail Partnership, the People's Journeys Time Portal project undertaken by a local young people's planning group, is now making headway.

Lowestoft Living Archive was approached by Abellio Greater Anglian Railway to come up with ideas of how to create a Heritage Timeline that would represent Lowestoft's heritage and be presented within the ten brick-built arches within the Railway Station concourse.

Now that the project has been confirmed, Ormiston Denes Academy students have been invited to join the project, with others, to develop a dynamic, high quality and robust graphic to be embedded into each of the arches on the approach into Lowestoft Railway Station. This will become known as Lowestoft's Time Portal Hub. The graphic is to be based on Lowestoft's cultural, social and industrial heritage.

Students will be working with our local heritage organisations, historians, museums and authors, in conjunction with other organisations, in order to carry out their research.

Each of the ten arches has been allocated to local museums, historical societies and associations, and two educational establishments; one of which is our academy. Once complete, the presentations will be exhibited to Lowestoft residents.

Pictured here is the selection process which was carried out at ODA by ten randomly selected students. Ten numbered docketts were placed in a large bag which enabled all ten of the selection committee to pick out a docket simultaneously. ODA will be working on a graphic for the fourth arch.

Presentation at Lowestoft Railway Station of project funds

*Mrs J Durrant -  
Marketing & Communications Officer*

## **Lowestoft Summer Festival - Schools Activities Day**

A wonderful time was had by all when Ormiston Denes attended the Lowestoft Beach Festival. The event was coordinated by East Coast Health and Lowestoft Sports Development Officer, Claire Henwood, with an inflatable football pitch being set up on South Beach. During the day our students hosted the primary schools' participation in such events as Football, Tri Golf and Handball. Just before lunchtime a group of England Handballers took part in a record breaking attempt with a large crowd in view. The BBC filmed this for their CBBC record programme, but we are unsure of the result!

The afternoon saw our own pupils attempt the 12 sports on offer including tag rugby and karate. The pupils were an example to all at the Academy and had a great time in glorious weather.

*Mr S Aldous*

## **Land of Hope & Glory!**

On Friday afternoon a small group of students was privileged to attend the Marina Theatre to listen to the Royal Philharmonic Orchestra rehearse for "Last Night of The Proms." They even got to join in and sing Land of Hope & Glory in true prom style!

## EastFeast Garden - Photos from the Academy Garden

### Gathering produce

*Produce from the garden*

### Pumpkin Progress

To continue our alumni series, we are pleased to introduce you to:

**Perry Scott**

Perry attended The Denes from 2007-2011. He is currently studying his final year of an Economics degree at the University of Hertfordshire. Perry is very proud of his connection to The Denes.

Perry told me: "I have recently completed a placement year as a policy advisor for the Vice-Chancellor of the University, and have had the pleasure of completing an internship at University Alliance in Whitehall, Westminster. My internship role consisted of providing research to inform the political strategy of universities and promote the fantastic research taking place in universities in the UK. This was a great experience because not only did I spend a lot of time around the latest technology (I have been lucky enough to meet the latest high-tech robots!) but my office was on the same road as Number 10 Downing Street and the Houses of Parliament (a place I seemed to spend a lot of my time!)."

*Perry is pictured here at  
Hertfordshire Business  
School Awards*

"I look back fondly upon my time at Denes as it was a place where I developed my passions for Business, Geography and English. I recall many great memories representing the school in a variety of sports such as football, cricket and hockey, but the greatest was scoring a hat-trick against Lynn Grove in a 3-0 win in the quarter finals of the cup and celebrating on the mini bus home!"

I asked Perry if he had a message for our students. This is what he said: "I encourage all of you to pursue what you want to do, do not follow the herd. There are some fantastic opportunities out there, and with the right attitude and commitment you can reach them. I was the first in my family to go to university and I have learnt that taking opportunities creates further opportunities - keep on meeting people and setting the right impression and you will go a long way in the future."

Our thanks and best wishes go to Perry.

*Mrs J Durrant - Marketing & Communications Officer*

# Leavers' Day Photos

## Post 16 Choices Evening

We recently hosted a Post 16 Choices evening to enable our students and their parents and carers to learn more about the education and learning routes that are available as our students move on from the academy. We had representatives from East Norfolk Sixth Form College, Lowestoft Sixth Form College, Great Yarmouth College and Lowestoft College present to a packed assembly hall.

Over 60 students attended and received extra Vivos when they signed into the event. Students then met with the providers in the Entrance Hall and were able to find out course requirements and ask questions about the courses available to them.

Our thanks go to everyone involved in the evening.

*Mrs C Ladbrook  
All Together Guidance Professional*

## Summer Schools Campus

Summer School is a great way to make new friends and learn new skills ready for when your child attends the academy in September or moves on to their new group.

Summer School is provided free of charge to students entitled to Pupil Premium funding. Funding is provided by the government.

For our young leaders it is a great experience and provides them with new leadership skills ready for their final year at the academy and beyond.

## Summer Schools Skills

For our gifted and talented cohort it is a great way for them to stretch their abilities and develop new ones.

Most children who attend want to come back every year and are eager to become young leaders in year 10 and do it all again.

## **Student Leadership Conference - Written by Nabila Haque, Head Girl**

On 8th July members of the Executive Council, along with seven other schools, attended a Student Leadership Conference at Ormiston Venture Academy.

The aim of this event was to discuss and share ideas on a variety of topics such as how to run successful fundraising event and how students can work, and link with their local community. We also discussed ideas on how to reach out and make sure that all students' voices and opinions are heard, and how to motivate more students to get involved in leadership roles.

We represented Ormiston Denes by giving a short five minute presentation sharing the best elements of our student leadership. We talked about our new Hustings process, our Rotation system, and our projects. To our pleasure a teacher from one of the schools attending had taken a great interest in our Hustings process and were looking to try it out at their school.

We are also discussed the possibility of trying out some ideas that we have heard have been successful at the conference in our academy.

This was the first event of its kind that Ormiston Denes and other schools have expressed interest in doing it again, for it is an opportunity for students to support other students.

## **Music Students Work With James Redwood, Composer**

In the second of a series of music composing sessions, pictured on the right are students working with James Redwood, composer and workshop leader from Orchestra of the Age of Enlightenment.

Workshops have been organised by Suffolk County Music Service and the OAE, and involve fellow musicians from the Lowestoft area. This will ultimately lead to a performance of a concerto completed by James based on the students' work, and will be performed at a Schools' Concert in October at the Marina Theatre in Lowestoft.

Read about James Redwood at: <http://bit.ly/1PxcOpD>

## Ormiston Denes Vocal Project

We are very proud to be working with Aldeburgh Music to create a vocal group who will work towards performing in the Christmas Concert at Snape Maltings Concert Hall. Our students will be working with \*Aga Serugo-Lugo and \*Rosie Adediran to begin exploring singing in a vocal ensemble. There will be a focus on acapella and close harmony arrangements, inspired by groups like the Pentatonix.

As a result of this project, it is hoped that our students will be able to join Group A. Group A is an unauditioned vocal group for 8-18 year olds from Lowestoft and the surrounding area. They work with professional musicians and take part in exciting performance opportunities throughout the year. The group explores all kinds of vocal music from popular songs, to beatboxing, musical theatre, gospel and classical.

This then leads to a Christmas performance at Snape Maltings Concert Hall, along with the National Youth Choir Fellowship, Aldeburgh Music's amateur chamber choir, Aldeburgh Voices, and a Brass Quintet in the 'Sing Christmas' concert at Snape Maltings Concert Hall.

Our students will be privileged to work with Group A over two weekends at Snape Maltings to learn the repertoire and music for the performance.

\* **Aga Serugo-Lugo** is a clarinettist, saxophonist, composer and singer and has explored varying styles from classical to funk. He also has a keen interest in music and theatre writing. Aga is an experienced workshop leader and has worked with Aldeburgh Music's Group A since January 2015.

\***Rosie Adediran** is a singer and performer with a passion for jazz, pop and soul music. She is experienced at leading choirs and workshops in various adult and school settings and often arranges for these groups. In September 2011 she started the Marylebone Community Choir, who have performed to audiences of over 1000 people and across London. Rosie is artist in residence for ARK schools and most recently enjoyed working with schools in Ipswich for the Multi-Story Orchestra project.

*Miss K Curtis*

## *Congratulations*

Congratulations go to **Danny Cook**, our first Head Boy and former Sports Centre Assistant, who has just gained a place at University College of Football Business at Wembley Stadium to complete a football Business & Media degree. Danny has also been awarded the Alistair Campbell Scholarship which is great news. For a virtual tour of the world-class UCFB Wembley campus take a look at their website:

<http://www.ucfb.com/ucfb-experience/campus-locations/ucfb>

# Peer Mentoring

## What is Peer Mentoring?

Peer mentoring is students offering students support and guidance. They are there to offer an ear to listen and the time to help with problems, issues and dilemmas.

Whether it is worries with friendships, homework, bullying, life upsets, relationships, or if you just want to talk to someone, we are here for you!

## Our Aims and Objectives:

To offer guidance that is easily accessed and supported by the academy. Our aim is to complete a nationally recognised course and equip ourselves with the knowledge, qualification and understanding needed to give you the best possible support.

## Your Peer Mentor Trainees:

Nabila Haque

Stephanie Gray

Maia Vincent

Danielle Douglas

Emma Wilkinson Turner

Niamh Drake

Dylan Walton

Georgia Wilson

Chelsea Doyle

Shania Slater

## **Battle of the Books**

Students waiting to see  
Alan Gibbons

On 15th July students from Ormiston Denes Academy joined students from Pakefield, Benjamin Britten, Sir John Leman and Bungay High Schools for an exciting day of debate and literary events at the University of East Anglia's Festival of Literature for Young People. Each participating school entered its chosen book hoping to win the Suffolk Schools Battle of the Books competition.

Students were treated to talks by the well-known author Alan Gibbons and the horror writer Darren Shan. During the day, the students all got together and, following much lively debate, voted for the 2015 Battle of the Books winner. The winning title was Bungay High School's entry, 'The Girl with all the Gifts' by M R Carey.

*Mrs D Ames - Library Manager*

Have you been watching 'Strictly Come Dancing'? Did you know that Kellie Bright, who plays the landlady of the Queen Vic in Eastenders, and star of 'Strictly Come Dancing' is Mr Alan Bright, our Technology Technician's daughter?

Watchers of 'Strictly' will know that Kellie was thrilled when Kevin Clifton was announced as her partner as it would please her Mum and Dad. Alan confirmed that Kevin was his wife's first choice for Kellie.

It was fabulous to watch Kellie and Kevin perform the first dance of the series last Friday with a 60s inspired Tango to "You Really Got Me" by The Kinks. They received a standing ovation and Judge Craig Revel Horwood described their dance as "absolutely marvellous" which fans of the series will know is praise indeed.

We are supporting Kellie and Kevin and wish them every success with the competition. We will be giving regular updates on how they are progressing in the next few weeks. We are looking forward to seeing them dance the cha-cha-cha to 'Don't Go Breaking My Heart' by Elton John and Kiki Dee this weekend.

Ormiston Denes Academy is following Kellie and Strictly Come Dancing on Twitter  
@bbcstrictly  
@kelliebright76

Check out Kellie's facebook page.

## **THE CHORUS**

**YEAR 7:** Gulhanim Koc, Ellie-Marie Willett,  
Ruby Westgate, Courtney Holwell,  
Josh Coleman

**YEAR 8:** Holli Dewhirst, Mollie Murrant,  
Demi Hitcham, Saffron Turner.

**YEAR 9:** Maiya Booth, Kayleigh Ward,  
Annelise Ward, Eloise Crame,  
Sophie Penfold, Ella Benson, Marisa Gomes

**YEAR 10:** Nerice Flatt

**YEAR 11:** Savannah Graves

## **WELL DONE!!!!**

**A letter will be sent home to explain how  
rehearsals will run and how main  
characters can get their scripts**

**REHEARSALS START TUESDAY  
29th SEPTEMBER!!!  
CHECK THE BOARD IN DRAMA  
AND MUSIC**

**Well done to everybody who  
auditioned, you worked very hard :)**

## Venture House Base won everything!

At the end of last term Venture House were presented with a shield and a trophy for being the House that won Sports Day, for earning the most Vivos and winning the staff rounders match.

Pictured here are Mr Wilkinson (Head of House), Mrs Dores (Director of Learning) and Ms Norman (Pastoral Support Officer).

A farewell and thank you to the old executive council.

Bowling and a meal.

Following recent auditions, B & B Theatre Company has confirmed the cast for "My Son Pinocchio" and we are very pleased to offer our congratulations to both current and former Ormiston Denes students:

Former students: Joe Flatt and Alex Day.

Current students: Lauren Benjamin, Precious Smith, Nerice Flatt, Georgia Horton, Hubert Czubaj and Phoenix Radford.

# ORMISTON DENES ACADEMY EXECUTIVE COUNCIL

## What have we been doing for you?

### Enquire

Enquire's current rotation is Projects, where the team has £300 to spend on enhancing students' experience in the academy, with options chosen and voted for by students in our house. The choice of Enquire projects is having a games room, additional sports equipment or fans to hire in classrooms. We are now ready to go out to a house vote as to which project each student would prefer, and our results will be shown in our next update.

### Inspire

Inspire's current rotation is charity. So far we have had two events, and raised £160.38 for Jeans for Genes, and £200.23 for Macmillan. Both events were really successful and also raised awareness of the charities. Before our rotation ends we will also be raising money on Wear It Pink day (for breast cancer) and we are currently planning an in-house charity event just for Inspire.

### Endeavour

Due to unforeseen circumstances we are currently looking for a new Student House Team Leader to assist us in future endeavours. Could you be that person? You need to be reliable, good with people, organising and communicating, and on call for certain events in the academy. If you are interested then please do apply.

### Venture

Venture's current rotation is academy promotion, tours, rewards & Skills for Learning. We have been working on making a Vivo blog to be able to promote top achieving forms, tips on how to get Vivos, new prizes, and making it easier for you to have the prizes you want. We have also been looking at Skills for Learning, and how we can assist with this.

### Bakery Project

The Bakery Project is running a Halloween themed cake competition. The idea will be to make your cake, decorate it with a Halloween theme to enter into the competition. See the Student Leadership noticeboard for more information.

### Bloomin' Marvellous

Our intention is to host a competition to design/decorate a watering can. The winner from each house will be able to use their design to decorate a 'House' watering can, which will be displayed around the academy.

### Other Important News

We are hoping to hold a Christmas event, and are looking for ideas as to what this could contain. If any student has an idea please let one of your house ambassadors know.

Our next rotation runs from 19 October to 18 December, and will be;

Enquire - Charity & Peer Mentoring

Endeavour - Project

Venture - Inter-House Competitions

Inspire - Academy Promotion, Tours, Rewards and Skills for Learning

## Tomorrow's People

Azra McMahon was a year 11 student last year and took part in Tomorrow's People Work Club programme that helps young people fully understand their post-16 choices and employability skills. As part of this, not only did Azra achieve a Level 1 employability, she also took part in the Work Club's Summer Programme. This gives young people the chance to meet other Work Club students from across Suffolk and learn new skills whilst having fun doing things like roller skating, go karting, etc. Every student that attended the activities was put into a draw and one student from each school won a £100 'one4all' gift voucher and Azra was the winner for Ormiston Denes Academy.

*Helen Clements  
Tomorrow's People Suffolk*
