Communications

ParentMail  ParentMail

Primarily, ParentMail is used to send out the vast majority of letters from the school, as well as important notices and information. Any family without email will receive communications in the post, or with a letter given to their child to take home. If you would like to add or update an email address, please send this information to info@ormistonden.es.co.uk, along with your child's name, year and form group.

Text message

Text messages are used to send truancy notifications. A truancy call is triggered when your child is absent from the school and we have not been contacted to provide a reason why. Text messages are also used when we need to get an important message to parents and carers very quickly.

Form Packs

Letters/packs are occasionally given to students in form time to bring home. If this happens, we will send an alert via email so you are aware.

Principal's Letter

The Principal's letter is sent out via email every Friday and put on the school's website. If your child has achieved something outside of the school, please send details to swatson@ormistonden.es.co.uk so we can include it in the newsletter and share the achievement with everyone.

Go4Schools gives you access to up to date detailed assessment information for each subject area, the timetable, attendance information and progress reports. To be able to see information about your child, log on to www.go4schools.com and click the parent icon in the top right hand corner. Use the email address you provided to the school, you will be sent a password to that email address to enable you to log on to the site. If you have any issues please contact us.

Social Media

We have the following social media accounts;

Facebook: OrmistonDenes

Instagram: @ormistondenes

Twitter: @OrmistonDenes

Please follow us to keep up to date with everything we do.

Please also check out our website at <http://www.ormistondenes.co.uk/>

Parent View

We want to understand which areas we are doing well in and where we could improve our provision even more. To facilitate this, we will send out surveys via Parentmail and ask if you would kindly take the time to complete them.
