

ORMISTON DENES ACADEMY

Dear Parent/Carer,

22nd September 2023

Thank you for your support so far in the first weeks of your students' Year 11 journey. It was great to see so many of you attend the Raising Achievement Evening last week. Having this strong start will really help them with the rest of the academic year.

Revision Tips

It is really important that our students begin their revision, completing tasks little and often. This will mean that students will already be in good habits before their final exam period. For this, they can use their online learning platforms (Sparx and Tassomai), attend the Study Hall voluntarily or speak with their teachers about what they need to do. More information is available on the presentation slides, which will be available on the school website. Please look out for a further letter about our online platforms.

If you have any further questions, please do not hesitate to contact me.

Yours Sincerely,

@OrmistonDenes
