

Equality & Diversity

Promoting tolerance, eradicating prejudice and providing equality of opportunity are at the **CORE** of what we do and we believe that everyone in our academy has a responsibility to play an active part in this duty.

Community

We passionately believe that everyone can contribute positively to the academy and we applaud the unique set of talents and values each of us bring.

Outreach

We work tirelessly with a broad range of internal and external agencies to ensure each student has every opportunity to overcome barriers to learning and achieve their full potential.

Respect

Every student has the right to learn, make progress and feel safe, irrespective of their background, culture, beliefs, gender, disability or sexual orientation. We are committed to ensuring equality of opportunity and are sensitive to challenges that students face as they grow up. We believe you have a right to be listened to and ask questions so you are fully involved. Where necessary, translation services are available.

Evaluate

We strive to provide the highest standards of student support and are always looking for ways to improve the services we provide. Should you have any feedback, please share this with us.

If you need help with anything, including health issues, a disability or free school meals, please speak to a member of staff.
