

HIGHER EDUCATION FAMILY AWARENESS DAY

Saturday 18 May 2024
10.00am–2.30pm
University of Suffolk

We invite you to find out more about studying a degree at university at our Family Awareness Day. This is a free event open to all students in Years 7-9 and their families.

We understand that Higher Education seems a long way off, but the decisions students make at school may affect their choices at 16 and 18 years old.

Our Family Awareness Day is a fantastic opportunity to learn more about university and to meet with current University of Suffolk students. During the event, families will take part in a fun programme of activities and learn more about higher education and student finance.

**Comments from attendees at previous
Family Awareness Days:**

“Good to know about the support that is in place for students.”

“I enjoyed the opportunity to visit and found it really beneficial in understanding the routes to HE.”

“Very helpful and informative, especially the area of student finance which was previously a concern to me.”
