How can Unifrog help me now?

- Explore what subjects you would be interested in studying Post 16 and how these choices can lead to different career paths and further education.

- Discover and sign up to online courses in areas that you're interested in.

- Explore how to successfully apply to an apprenticeship, College/Sixth Form or university.

- Support in writing a CV and Cover Letter.

- Record key activities and achievements to use in your application

Creating your account

Most students will already have set up their passwords. However if you haven't yet, but would like to, then follow these instructions:

• A link will have been sent to your school email address earlier this academic year (please check your junk/spam mailboxes).

• Click the link and follow the instructions.

• Create a memorable password.

• Make a note of your password

Student account Sign up Code

If you've been given a Sign up Code, fill in this form to create your own Unifrog student account (or if you're a parent, a dummy student account). For security, Sign up Codes expire 90 days after they've been created.
