Details of these procedures are made widely available and accessible to all candidates by: signposting candidates to the Ormiston Denes website where all relevant information can be found.

The arrangements for post-results services

Dealing with requests

- All post-results service requests from internal candidates must be made through the centre (GR 5.13)

At Ormiston Denes Academy the process to request a service is:

- prior to the results being issued to candidates, the Head of Centre and Vice Principal will have identified those where it is felt that there could be errors in the agreed mark scheme, meaning they will support the request for a review of marking and Ormiston Denes will pay for the service. If any other post results service is requested by a candidate, a form must be completed giving permission and the parent/guardian will be expected to pay for the service.

Candidate consent

- Candidates must provide their **written consent** for clerical re-checks, reviews of marking, and any subsequent appeal, and access to scripts services offered by the awarding bodies **after** the publication of examination results (GR 5.13)

(As applicable, it will be ensured that any private candidates are made aware that all post-results service requests can be made directly through the relevant awarding body)

Ormiston Denes Academy will:

- Acquire written candidate consent (accepting informed consent via candidate email) in all cases before a request for a clerical re-check, a review of marking, and any subsequent appeal, or an access to scripts service request is submitted to the awarding body
- Acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded
- Only collect candidate consent **after** the publication of results
- Retain consent forms or e-mails from candidates for at least six months following the outcome of a clerical re-check or review of marking or any subsequent appeal (PRS 4.2)
- Retain consent/permission forms or e-mails from candidates to request and use their scripts for at least six months (PRS Appendix B)
