## **Communications**

**ParentMail**  ParentMail

ParentMail is used for a variety of reasons. Primarily it is used to send out letters from the school as well as important notices and information, but it is also used for submitting payments, completing online forms and booking parents evening appointments. We strongly recommend all families to sign up to ParentMail. Any family without email will receive communications in the post, or with a letter given to their child to take home. If you would like to add or update an email address, please send this information to [info@ormistonden.co.uk](mailto:info@ormistonden.co.uk) , along with your child's name, year and form group.

## **Text message**

Text messages are used to send truancy notifications. A truancy call is triggered when your child is absent from the school and we have not been contacted to provide a reason why. Text messages are also used when we need to get an important messages communicated very quickly.

Go4Schools gives you access to up to date detailed assessment information for each subject area, the timetable, attendance information and progress reports. To be able to see information about your child, log on to [www.go4schools.com](http://www.go4schools.com) and click the parent icon in the top right hand corner. Use the email address you provided to the school, you will be sent a password to that email address to enable you to log on to the site. If you have any issues please contact us.

## Parent View

We want to understand which areas we are doing well in and where we could improve our provision even more. To facilitate this, we will send out surveys via Parentmail after each Parents Evening and ask if you would kindly take the time to complete them.

## Contact Us.

Key Contacts can be found on page two of this booklet and on the following two pages, however you can also contact us using the “Contact Form” on our website. We try to answer any query within 24 hours, however this is not always possible.

**During the school day, our students come first so it is not always possible for staff members to see parents or receive phone calls without prior arrangement.** Our staff expect to be shown the same respect as we show others.
