Purpose of the policy

This policy confirms that Ormiston Denes Academy reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

1. Food and drink in the examination room

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)

To enable invigilators to check these items quickly and efficiently:

- food brought into the examination room by the candidate must be free of packaging and in a transparent container
- drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Ormiston Denes Academy:

Food is not permitted to be taken into the exam room unless the candidate has obtained prior permission from the Assistant Principal or Head of Centre due to a medical condition.

Water or squash can be taken into the exam room in a clear bottle and free from packaging.

Additional centre-specific arrangements:

Not applicable.
