Release date	September 2025
Review	Policies will be reviewed in line with OAT's internal policy schedule and/or updated when new legislation comes into force

Introduction.

We are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents/carers will understand the importance of a good working relationship to equip children with the necessary skills for adulthood.

For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

1. Purpose and scope

At Ormiston Denes Academy, we believe it's important to:

- Work in partnership with parents to support their child's learning
- Create a safe, respectful and inclusive environment for students, staff and parents
- Model appropriate behaviour for our students at all times

To help us do this, we set clear expectations and guidelines on behaviour for all members of our community. This includes staff (through the Staff Code of Conduct) and students (through our Behaviour Policy). This code of conduct aims to help the schoolwork together with parents by setting guidelines on appropriate behaviour.

We use the term 'parents' to refer to:

- Anyone with parental responsibility for a student
- Anyone caring for a child (such as grandparents or child-minders)

1. Our expectations of parents and carers

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school.
- Work together with staff in the best interests of our students
- Maintain reasonable expectations for staff response to general communications (usually five working days)
- Treat all members of the school community with respect – setting a good example with speech and behaviour.
- Seek a peaceful and reasonable solution to all issues.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct.
- Approach the right member of school staff to help resolve any issues of concern, following up if an appropriate response has not been received.

2. Behaviour that will not be tolerated

- Disrupting, or threatening to disrupt, school operations (including events on the school grounds and sports team matches).
- Swearing, or using offensive language.
- Threatening to do actual bodily harm to a member of school staff, Governor, visitor, fellow parent or student, regardless of whether or not the behaviour constitutes a criminal offence.
- Displaying a temper, or shouting at members of staff, students or other parents
- Damaging or destroying school property.
- Abusive or threatening e-mails or text/voicemail/phone messages or other written communication.
- Unreasonable demands upon school staff to respond to a parental query, or expectations for staff to communicate outside of normal working hours.
- Electronic recordings of meetings or telephone calls by parents or staff without the explicit prior permission of all involved, and in agreement with senior managers.
- Making serial and unreasonable complaints (refer to our complaints policy).
- Posting defamatory, offensive or derogatory comments about the school, its staff or any member of its community, on social media platforms.
- Use of physical punishment against your child while on school premises.
- Any aggressive behaviour (including verbally or in writing) towards another child or adult.
- Disciplining another person's child.
- Smoking (including vaping) or drinking alcohol on the school premises (unless alcohol has been allowed at a specific event).
- Possessing or taking drugs (including legal highs).

Should any of the above behaviour occur on school premises, the school may take any of the following actions:

3. Breaching the code of conduct

If the school suspects, or becomes aware, that a parent has breached the code of conduct, the school will gather information from those involved and speak to the parent about the incident.

Depending on the nature of the incident, the school may

- End a meeting if this behaviour is displayed.
- Not reply to communications that are offensive, abusive or derogatory.
- Insist that the adult communicates with the school through one member of staff only.
- Consider the banning of all phone calls, except in emergency situations, either on a temporary or permanent basis.
- Consider banning the offending adult from entering the school grounds either on a temporary or permanent basis.
- Send a warning letter to the parent.
- Invite the parent into school to meet with a senior member of staff or the headteacher.
- Contact the appropriate authorities (in cases of criminal behaviour).
- Seek advice from the local authority's legal team regarding further action (in cases of conduct that may be libelous or slanderous).

The school will always respond to an incident in a proportional way.

The final decision for how to respond to breaches of the code of conduct rests with the Headteacher. The Headteacher will consult the Chair of Governors before banning a parent from the school site.

We trust that parents will assist our school with the implementation of this policy, and we thank you for your continuing support of the school.
