

## The Year 11 Curriculum Enrichment Entitlement 2025/26

The following curriculum enrichment offer is the current one the Year 11s will experience. However, as the academic year progresses other opportunities will be available to them.

In addition to these experiences, we offer a full assembly and form programme that both supports and extends our curriculum enrichment programme.

**Experience** – encounters with a range of people, places and events. At ODA, we want students to meet many different people from different walks of life; to visit amazing places and to try things they have never done before.

Experience	Category	Detail
Form/Assembly	Speakers and workshops	Guest contributions in assembly

**Think** – at ODA, we want students to develop a broad general knowledge; to engage critically with topical or contentious issues; and to debate the merits of different points of view.

Think	Category	Detail
