Communications

Text messages are used to send truancy notifications. A truancy call is triggered when your child is absent from the school and we have not been contacted to provide a reason why. Text messages are also used when we need to get an important messages communicated very quickly.

It is important that all Parents & Carers have an Arbor account whilst their children are with us.

In order to have an Arbor account you must supply us with an email address.

Your Arbor username is your email address. To finish creating your Arbor account you need to set a password. Go

to <https://login.arbor.sc> and click 'Forgot your password?'

What can be done and/or accessed via Arbor;

- Parents can make payments to top up their child's lunch accounts.
- Parents can make payments for any trips.
- Parents can provide consent for all trips and visits their children go on
- Parents can access their child's timetable
- Parents can make Parent Evening appointments with teachers, or other staff members such as the SENDCo, year team staff or attendance staff.
- Parents will be notified of all detentions
- Parents can access their children's attendance and behaviour points
- Parents will receive all general academy communications.

If you have any further questions, please contact your child's year team in the first instance.

Parent View

We want to understand which areas we are doing well in and where we could improve our provision even more. To facilitate this, we will send out surveys via Arbor after each Parents Evening and ask if you would kindly take the time to complete them.

Contact Us

Key Contacts can be found on page two of this booklet and on the following two pages, however you can also contact us using the “Contact Form” on our website. We try to answer any query within 24 hours, however this is not always possible.

During the school day, our students come first so it is not always possible for staff members to see parents or receive phone calls without prior arrangement. Our staff expect to be shown the same respect as we show others.

Photo Consent

We kindly ask that you review the current photo permissions we have on file for your child. In instances where we do not have the appropriate consent, your child’s face will be obscured in any group photographs used in school publications or shared on our social media platforms.

If you would like to update or confirm your preferences, please contact us at [ODA info@ormistonden.co.uk](mailto:ODA_info@ormistonden.co.uk).
