

Dear Parent/Carer

9th September 2026

Welcome to Year 10 Raising Achievement Evening – Thursday 24th September

As an academy, we are always looking to support students in as many ways possible to achieve their full potential. We would like to invite you to our **Welcome to Year 10 Raising Achievement Evening** which will take place on **Thursday 24th September, from 6pm to 7pm**. Supporting your child through their GCSE/BTECs can be an overwhelming task and this Raising Achievement evening aims to provide you with an opportunity to find out key information on how you can support your son or daughter in preparing for the challenging KS4 journey ahead.

There will be a number of sessions running during the evening including:

- Introduction address from the Assistant Principal for Raising Achievement and Head of Year 10
- Information on how to support your child to achieve
- Information on the type of support available for your child and the importance of attendance and its impact on results
- How to support your child with revision at home (Sparx and Tassomai)

We will have a range of colleges and university representatives attending the evening. Choosing the right post-16 pathway is one of the most important decisions your child will make. Speaking directly with colleges gives the opportunity to explore courses, entry requirements, career pathways, and support available, helping students make informed choices about their future.

In addition to this, Year 10 students will be able to collect their work experience packs and staff will be on hand to answer any questions you or students may have.

We are confident that with continued hard work, good attendance and your support, your child will achieve the grades required to secure their place in college or further education.

Please can you let us know if you will or will not be attending by completing the short form sent to you via Arbor. If you are unable to attend, the Year Team will be in contact to offer you further support and information. Your child is still encouraged to attend to engage with the Raising Achievement session and series of stall present.

Yours sincerely

Miss Caitlin Beales

Assistant Principal for Raising Attainment

Miss Hannah Smith-Howell

Head of Year 10
